Our Space

We have designed our safe therapeutic space to ensure that children have the optimum experience in their sessions.

Our space includes:

- An extensive collection of art and craft materials
- Modelling dough
- Large custom built sand tray with extensive collection of figurines
- Dolls house
- Range of therapeutic books
- Soft and sheltered quiet space
- Therapeutic games
- Puppets
- Dressing up costume and accessories
- Locked cupboard to store each child's box of work safely until the next session

Our room is available for hire for relevant external professionals at the weekend and in the evening. Please contact Katy Whitney for more information.
